Hostess Coaching Packet

Hi _____,

I am SO excited to Party with you on _____ from _____. This is a night of work for me and I'm excited to share it with you!

Having a GREAT party is as easy as 1, 2, 3!

1 – INVITE – I find that the more ways you invite people to your party, the more people come! So we will invite 3 different ways. 1- Paper (real) invitations, 2- Texting invitation, 3- Facebook invitations.

First, fill out the form on one of the next pages called 50 People in 5 Minutes. This will help you identify the people you want to invite to your party. Then fill out the guest list with their addresses so that we can get REAL invitations out to them.

Next, I will send you a text for you to forward to all your friends. Finally, I will create a Facebook event for you to invite your friends to. This is also where I will post your online party link so that your friends that can't make it can still order online. We do need to be friends, so look for a friend request from me.

We will also send out a reminder a day or 2 before the party to help your guests remember that your party is coming! This helps to get more guests to your house the night of the show.

2- BOOKINGS – We do have online ordering, but it's best if your friends can come to your party even if it's only for 5 minutes! If they can't make it, ask if they want to host their own Paparazzi Jewelry party! You get 1 more free item at their party and they will get great jewelry for free too!!! It's a WIN WIN!

3- KISS (Keep it simple, sister!) – Finger foods are great for refreshments at your party. There is no need to slave away in the kitchen all day when a package of Oreos and a jug of milk are just fine. (or carrots, celery, dip and water)

I'm here to help make your party a success! If you have any questions or concerns, you are welcome to email, text or Facebook me at any time! Talk to you soon!!
